

**NEW** EnLiten™ Flush-Glazed Internal Blinds  
for Smooth-Star® Doors

**THERMA TRU®**  
DOORS

Seamless style.  
Controllable privacy.

Smooth-Star® doors with internal blinds featuring EnLiten™ flush-glazed designs deliver simplicity and convenience with contemporary appeal. Discover attractive, durable entry solutions for around the house, including patio, side and back doors allowing for optimal daylight and outdoor views, or complete privacy.

Available March 4, 2019

## Tru-Advantages

- **Complements market trends toward simplistic design elements throughout the home.**
  - Internal blinds feature a cordless design for a clean and simple aesthetic.
  - EnLiten™ flush-glazed designs deliver a larger daylight opening and features a simple Shaker-style sticking profile with no added embellishments around the glass.
  - Smooth-Star® doors offer crisp, clean contours.
- **Delivers convenience with a durable and versatile design for around the home, including patio, side and back doors.**
  - Control the desired level of light and privacy by opening, closing, raising or lowering the blinds with the simplicity of a single handle.
  - A kid- and pet-friendly solution, cordless blinds enclosed between tempered glass remain dust free and glass is easier to clean than traditional blinds.
  - Smooth-Star® fiberglass doors require very little maintenance and won't warp, rot, dent or rust.
- **Seamless construction built for long-term performance and finishing efficiency.**
  - During manufacturing, glass is built directly into the door to help reduce potential pathways for air and water infiltration, inside and out.
  - EnLiten flush-glazed design features a smooth profiled edge around the glass for greater ease in painting.
  - Choose from clear or Low-E glass to optimize energy efficiency.

## EnLiten™ Flush-Glazed Riders

### For Construction & Installation

Provides protection in case of accidental glass breakage during residential and multi-family construction or installation. Therma-Tru will replace the flush-glazed fiberglass door or sidelite.

### For Homeowners

Provides protection in case of glass-related failures due to manufacturer defect. Therma-Tru will furnish \$300 toward installation and replace the flush-glazed fiberglass door or sidelite.
