## Tru-Advantages

- **Designed for broad appeal with versatile styles both with and without glass.**
  - Includes options for 6'8" and 8'0" doors.
  - Flat profile divider bars can be painted or stained to complement the overall look of the entry.
  - Full-lite EnLiten™ flush-glazed doors are ideal for front and side entry, as well as patio applications, and can be paired with full-lite sidelites.
- **Classic-Craft American Style Collection doors feature AccuGrain® technology to accurately replicate Fir grain.**
  - Features realistic wood grains that are virtually indistinguishable from high-grade wood doors, thanks to Therma-Tru's AccuGrain® technology.
  - The tight vertical Fir grain – prized for its beauty and quality – is the perfect complement to the mix of natural materials found in many of today's home styles.
