Granite

Ruby Red

Cabernet

Indigo

Chestnut

Onyx

## Finished for lasting beauty.

Add a pop of color to Therma-Tru® doors, composite door frames and door surrounds, and tailor the look of the entry to make a beautiful lasting impression.

### Discover a high-end finish for natural beauty that protects from everyday wear and tear.

- A durable low-maintenance coating protects the door from the elements and stands up to potential damage during installation.

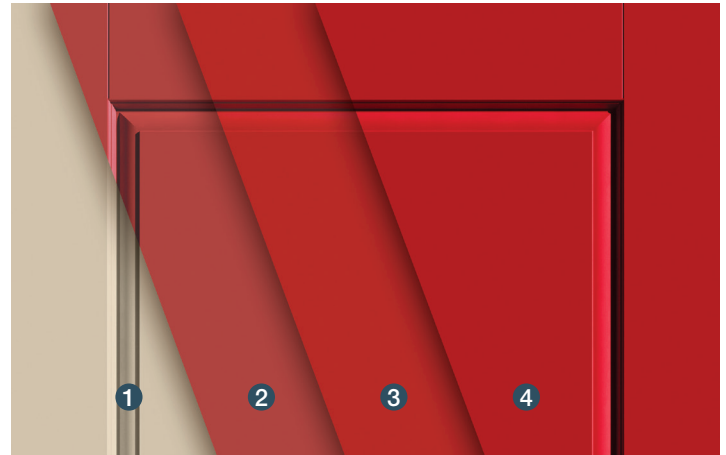

### Provide the quality and professionalism your customers count on.

- Designed for optimal performance with Therma-Tru® fiberglass doors.
- Handcrafted and professionally applied in a controlled environment for consistent results, giving you and your customers confidence and peace of mind.

### Aimed at growing and simplifying your business.

- Expands your finishing options to serve more customers with a variety of premium colors to complement home accents.
- Completes the full-system entryway package – door, glass, system components and finish – all from the entry door brand building professionals choose most.\*

## A handcrafted step-by-step process.

- 1 It starts with the smooth or wood-grained surface of a Therma-Tru® door, composite door frame or door surround.
- 2 A base coat provides an even, consistent color across the surface.
- 3 A durable topcoat enhances the high-definition color while protecting against scratches and color fading.
- 4 A second application of the topcoat provides added durability and optimal sheen for a high-end look.
